Item ref: 156.646UK & 156.647UK
User Manual

Thank you for purchasing Lyyt 9-Way COB Tape Connectors.

Before starting, please ensure that you have read this instruction leaflet carefully. If you are unsure about any of the installation details, please consult a professional.

Help articles are available on our website: <https://www.avsl.com/support/article>

Description

These crimp connectors are designed to attach 8mm or 10mm wide COB LED Tape in 9 different configurations.

Polarity

It is important to ensure that you have correctly matched the polarity of the tape and/or DC cables before you crimp on the connector. Once you have crimped the connector, it cannot be undone. The positive polarity is clearly marked on the top of the connector:
